### CHARITY CHALLENGE FEATURES:

#### #1. The Opportunity to give back to the dog community!

At least \$2 from each run will benefit the dog charity chosen by the hosting club. The club may also be conducting additional fund raising activities to raise money for their chosen organization.

##### Charities Selected:

**Dauphin County Dog Training Club: AKC Canine Health Fund** Funds will be targeted for epilepsy and cancer research grants.

**Kesshond Club of Delaware Valley: Dog T.A.G.S.** Dog T.A.G.S. is a 501(c)3 which means that it is a federally recognized charity. The organization helps veterans suffering from service related PTSD or Traumatic Brain Injury train their own dogs to be their certified Service Dogs. The organization is totally volunteer - no one gets any remuneration for their work - and the veterans pay nothing to train. Dog T.A.G.S. (Train, Assist, Guide, Serve) pays for all training equipment, vests, facility - everything the handler - dog team might need to attain the status of Service Dog Team. We now have around 60 veterans - men, women, all branches of the service. If the veteran does not have a dog, we work with local Humane Society and rescue organizations to find the veteran a suitable dog. We rely totally on the support of local VFW's, American Legions, individuals and their donations. We have four levels of training and each level runs ten weeks with the veterans passing tests to advance to the next training level with the final goal being to pass the Public Access Test, which requires many skills and the demonstration of three tasks that the dog does for the veteran.

##### **American Bullmastiff Association: ABA Health & Research Fund**

Our motto, "committed to a lifetime of wellness", includes collaboration with the Breeders Ed committee of the ABA, participating in recommended health testing, and sharing knowledge with other Bullmastiff fanciers. Currently, the ABA is participating in a clinical trial to identify genes/variants associated with SubAorticStenosis in the Bullmastiff that can be used to develop a genetic test for this condition.

#### #2. The chance to win \$\$ (see the special awards under AWARDS)

#### #3. Free lunch each day to all participants!

#### #4. Discounted pricing if entering the same dog in all 4 classes each day! Only \$75 for 4 Classes!

#### #5 Additional fun with team spirit and after trial competitions!

Please consult the AKC Regulations for Agility Trials for a complete description and eligibility for entry into these classes. The exhibitor is fully responsible for entering the dog in the correct class(es)/height divisions. Dogs running in a lower height division than they are eligible for will be eliminated.

First Place: Blue Ribbon                      Second Place: Red Ribbon  
Third Place: Yellow Ribbon                      Fourth Place: White Ribbon

A green qualifying ribbon for all qualifying dogs. A qualifying score is required to receive placement awards. New Title, MACH & PACH Ribbons available. **All prizes/ribbons must be claimed the day of the trial.**

## SPECIAL AWARDS & RULES FOR THE TEAM CHARITY CHALLENGE

- Cash prizes will be awarded to the first, second and third place finishing teams. Teams may be composed of 3 to 6 dogs with any number of handlers. Teams may include dogs in the regular and preferred height divisions. First place will be \$750, second place will be \$500, and third place will be \$250.
- Scores for placements for the cash prizes will be based on the following formula:
  - The top 3 team dogs for each class will receive 1 point for every full second below standard course time in the Standard & JWW classes (same as MACH/PACH pts.) for each qualifying run each of the 3 days.

- A qualifying score in a Premier class will be worth 25 points each for each class each of the 3 days.
- The 3 day cumulative score will be used to determine placements. Ties will be broken by a team relay run of the last course of the day on Thursday. Rules will be posted.
- All dogs are not required to enter all 3 days to be eligible be on a team.

### HEIGHT DIVISIONS

Effective January 1, 2010, exhibitors are no longer required to provide proof to Trial Secretaries that their dog has a valid jump height card as part of the check-in process. Furthermore, this change eliminates the need for a copy of the jump height card to be submitted with an entry form. Dogs without a valid Jump Height Card/Form may still compete; but they must be measured/wicketed by the **Judge of Record** PRIOR to running in their class and this measurement will be valid for that weekend of trials only.. However, if a **Volunteer Measuring Official (VMO)** or an **Agility Field Rep** is present; **ALL** dogs without a valid Jump Height Card/Form must be measured at some time during the trial or cluster of trials. This does not preclude having the dog wicketed by the Judge of Record if the VMO or Rep is not available to measure the dog **before** its first run of the trial or cluster of trials. It is the exhibitor's responsibility to have their dog measured prior to running and failure to do so will result in the cancellation of any qualifying scores.

### OBSTACLES & TIMING

Obstacles will meet the specifications for obstacles in the current edition of the Regulations for Agility Trials. This trial will be held indoors, ring Dimension 78' x 105' with self-closing gates.

Electronic timing devices will be used.

Handlers whose dogs measure into the 8" through 20" regular jump height divisions may opt to enter in a higher or 24-choice height division for all Regular titling classes, but not in a division lower than their proper height division. Dogs who measure into the 24" regular jump height division may not enter 24-choice. Dogs entered in the Preferred classes must compete at the required jump height and may not compete in a jump height division higher or lower than their proper height division.

All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or back-to-back trials only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the AKC Canine PartnersSM program may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.
