

# Private Lessons with BVTC Instructors

Do you need a little extra work on a specific obstacle (weaves, contacts)? Are you preparing for an event and want some special one-on-one training? Wish you had additional time to work on a skill/sequence that was taught in class?

**The privates are managed by the instructors, please contact them to schedule.**

**Cost is \$35 for a 30 minute lesson (payable to the instructor)**

Pat Hollern has had dogs all her life and has been competing in agility since 2001. Her first agility dog was a Border Collie named Shelby. MACH3 Hollern's Slainte Shelby, earned numerous titles in AKC, USDAA, NADAC and UKC agility. She also earned titles in Flyball and Rally.

Pat currently competes with her Pembroke Welsh Corgis, MACH6 ADCH Gayhearts BT Thyme to Shine- "Seren", and Gayhearts BT Autumn Gold- "Brynn". Seren has earned championship titles in AKC, USDAA, Flyball and Barn Hunt. The baby dog Brynn has started her agility career earning her Open titles in AKC. She also competes in Barn Hunt.

From Clean Run Camp to One Mind Dog Seminars, Pat truly believes that positive reinforcement is the best way to be successful while playing and competing with your dog.

Lori Napoli is an avid dog enthusiast; her love for engaging dogs is reflected in numerous achievements she and her dogs have earned. Lori & Kramer have earned agility championships in TDAA, CPE and AKC & along with earning a MACH on her Lakeland Terrier, Phoebe, Lori has taken her to AKC Invationals and earned Top Lakeland Terrier!

Lori's passion is agility, not missing an opportunity to grow her skills attending seminars and putting them to the test in trials. Her skill of guiding her dogs through challenging agility courses/trials has come from training with Katelyn Scott, Donna Brown, Judy Kolva, Claudia Bates, Susan Salo & Cynthia Hornor. She has also trained with several OMD coaches and other European coaches. She works with teams to improve their understanding of the dogs line and the timing of their cues to help them become the best possible "GPS" for their dog.
