Rally Class Description

For a complete description of the Rally rules & regulations, rules of performance, scoring standards, explanation of exercises (including Primary and Secondary Elements), course design, etc., go to www.rallydogs.com and click on Official Regulations. To learn more and get new ideas, you can join the "All Dogs" Rally chat list and talk to other World Cynosport Rally Limited enthusiasts by sending a message to RallyO-All-Dogs-subscribe@yahoogroups.com.

You must be familiar with all the Rally exercise signs, as well as the Official Rules & Regulations prior to the event. Go to www.rallydogs.com for an explanation of each of the exercise signs and have fun practicing them with your dog.

A and B Classes

"A" classes are for dogs that have NOT earned the base level title for that level (i.e., RL1, RL2, RL3, RLV).

"B" classes are for dogs that have completed that base level title for that level.

Intro Class

Intro class is open to dogs 6 months or older, but dogs who have earned the RL1 or higher are not eligible for placement awards, if offered, in this class. There is no separation of Intro class into A and B classes. An Intro course has 10 exercise signs, including the bonus. Please see the Official Rules & Regulations for more details on Intro class.

Veteran Class

Veteran class is open to all dogs over the age of 8; dogs 90 lbs or more may enter Veteran at age 6 years, and dogs 50 lbs or less than 90 lbs may enter at age 7 years. A Veteran course will consist of 12-13 exercise signs from any level, including a Bonus exercise from the Level 3 Bonus Exercises. Please see the Official Rules & Regulations for more details on Veteran class.

Bonus Exercise

A Bonus is an exercise through which additional points may be earned. A bonus exercise is offered on all courses in the regular classes, and it shall be clearly marked with a "Bonus" placard. The bonus exercise shall be in course sequence, at judge's discretion, and shall be performed in the normal flow of the timed course at handler's option.

The following rules shall apply for all bonus exercises, whether the bonus exercise has one or two signs: If the bonus exercise is attempted, 10 bonus points are awarded, with point deductions assessed for incorrect performance of the exercise; point deductions on the bonus shall not exceed 10 points. The bonus exercise may be retried one time, for a maximum possible bonus of 6 points. If the bonus exercise results in a change of direction, the handler shall perform an additional basic turn as needed following the bonus in order to continue to the next station. If the team opts to bypass the bonus, the team shall heel by the bonus station to the next station; there is no penalty assessed for choosing to bypass the bonus.

Please see the Official Rules & Regulations for details on the bonus exercise, including the list of exercises from which the bonus is selected for each class.

Jump Heights

Dogs are not required to be measured the day of the trial or prior to judging. However, judges have the option to measure any dog prior to his/her performance if the dog appears to be entered in a group lower than might be indicated by his/her registered shoulder height. Jump heights may also be modified or the jump exercise excused entirely based on physical challenges (e.g. age, disability such as blindness, or use of a mobility device) that a particular dog may face.

The following table shows the recommended and minimum allowable jump heights based upon the dog's height at the withers. The selected jump height shall be indicated on the Entry Form. The "minimum allowable jump height" for each height category is the minimum height permitted without a Request for Modification being made. A handler may select a higher height at their sole discretion, but must have designated the height on the entry form.

Height at Withers	Minimum Allowable Jump Height	Recommended Jump Height
12" or less	4"	4"
16" or less	4"	8"
20" or less	8"	12"
Over 20"	12"	16"
