2020 Rules and Policy Announcements

USDAA has announced a number of rule and policy changes that are being phased in throughout 2020. Certain of these affect the performance standards for the Table, Masters class Standard Course Time, a revision to the Super Q formula, opportunities for "FEO" runs, permitting a Group to host a Combined Relay class for all levels for titling purposes, crossover between programs, and more. One or more of these changes are to be in effect at this event. Please review the [Rules & Policy Amendments on usdaa.com](https://www.usdaa.com/rules-policy). These are hereby incorporated by reference into this Test Schedule.

Check-in & Measuring

Dog Measurements & Certification

All dogs not jumping 24" in the Championship Program or 20" in the Performance Program at local and regional events must be measured unless they have permanent USDAA or World Cynosport Dog Registration status or a temporary card with 3 signatures as required by the regulations, making the dog eligible for their jump height (prior to 3 years of age). Please note that only dogs 18 months of age and entered in the event may be officially measured.

A Dog that Measures Up at Check-In - May Run FEO

If a judge's measurement of a dog at check-in establishes that the dog is ineligible for the height class in which entered, the competitor may

- Run the dog at the higher height in the same program based upon the measurement,
- Modify the entry to enroll the dog in the proper height class in the Performance Program,
- Modify the entry to enroll the dog in the proper height class in the Veterans Program if the dog is 8 years old
- Run For Exhibition Only (FEO) at the next lowest jump height, but only in the program entered.

Because entry into a higher height is permitted in the Performance and Championship Programs, a dog measuring lower may not be moved to a lower height in either program.

Entries & Acceptance

Policy on Refusal of Entry

The Organizing Committee of an event may refuse the entry of any competitor or dog for just cause should the Committee view that participation by the competitor or dog could be prejudicial to the sport. However, in such case, the Committee must notify the competitor in writing upon receipt of entry, but in no case, more than three days following the event closing date for acceptance of entries. The burden of responsibility for the appropriateness of such action rests solely with the host group and its Organizing Committee.

NSF Check/Credit Card

Any check or credit card that is charged back by the bank or other financial institution may be assessed a service charge of up to \$40 per incident at the discretion of the host group.

Returned checks or credit card returns do not constitute a valid entry. Amounts shall be paid within 30 day of postmarked notice of the returned payment if such date follows the event date. Any fees not received within 30 days of notice will result in cancellation of event results for all classes related to the entry for which payment was made. No reinstatement of results is possible, and all awards must be returned within 10 days of notification or the dog's registration may be suspended pending restitution.

Any unpaid fees or shortfalls must be paid prior to the start of the event, or entry is canceled without recourse.

Refund Policy

There shall be NO REFUNDS for entries withdrawn after the closing date for acceptance of entries, for absentee, dismissal from the event as a result of disciplinary action, dismissal from a class, or for any other reason. Also, no entry fees will be refunded if the event cannot open or be completed by reason of riots, civil disturbances, acts of terrorism, fire, "act of God", public emergency, strike, or any other cause beyond the control of the host organization.

No Entry For Exhibition Only

No entry "For Exhibition Only" shall be accepted, except as provided for in Chapter 10 when Intro Program classes are offered. See additional note for club policy regarding dogs that measure up.

General Rule on Eligibility

This event is sanctioned by the United States Dog Agility Association, Inc. ("USDAA").

This test is open to all persons with dogs being at least 18 months of age (14 months of age pursuant to Chapter 10 for Intro Program when offered OR for Sanctioned Match), regardless of pedigree or absence thereof, who have a current registration with USDAA and whose owners and the dog's handler are currently in good standing with USDAA.

This event will be held under USDAA® Official Rules and Regulations, a copy of which may be viewed and printed online at [USDAA Rules & Regulations](#), as amended.

Media Release & Rights of Privacy Waiver

Media Rights Release

I HEREBY GRANT TO USDAA and its affiliated companies, representatives, agents and assigns, all rights and permission to use or appropriate his/her and their dog's name, biography, likeness, photograph, voice, performing persona, or other indicia of identity for broadcast, telecast, cablecast, transmission or distribution in any format or media known now or in the future.

Waiver of Rights to Privacy, Publicity & Personality

FURTHER, I HEREBY RELEASE United States Dog Agility Association, Inc. and its affiliates, representatives, agents and assigns from any claim or cause of action for invasion of the rights of privacy, right of publicity, right of personality, or any similar right.

General Entry Conditions

Policy on Fault Limits

In the event of a larger entry, fault limits may be set at the discretion of the Organizing Committee and/or Judge without pre-event notice.

Statement of Responsibility

Competitors alone are responsible for the behavior of themselves, their dogs, children, and guests. A competitor whose dogs, children or guests create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Event Organizing Committee, be asked to leave the test site.

Spam Blocker

Confirmations will be sent via email using the secretary's address. If you have a spam blocker on your email account, please configure it to allow email from the secretary's address since confirmations will be sent from this account.

Prohibitions on Aids & Devices

No leads, collars, food, toys or other aids or devices shall be permitted on the course at any time, except as provided for in Chapter 10 when Intro Program classes are offered, or in Chapter 8 when Junior Handler Program classes are offered.

Running a Class "For Exhibition Only" (FEO) at Local Events

A competitor may enter a class at a local event (events other than regional, national and international championship or special events) and declare on the day of the event that they are going to run "For Exhibition Only" (FEO). Declaring "For Exhibition Only" requires that-

- the Gate Steward, or the Competitor in the absence of a gate steward, clearly mark "FEO" by the competitor's entry number on the posted running order
- the Competitor vocally declares to the Judge and Scribe, "FEO", when advancing to the start line
- the Scribe clearly marks "FEO" on the scribe sheet
- the Scorekeeper records the round as "Withdrawn", denoting the round as a noncompeting round in the official results and shall be ineligible for awards

Additionally,

- non-audible toys are allowed but must be used in a manner that does not distract other dogs running in adjacent rings
- the dog shall be run at the height at which it was entered.
- the maximum time on course allowable is the Standard Course Time (SCT); however, the judge, in their sole discretion, may dismiss a competitor from the ring for any behaviors that are deemed unsafe or harsh, or that do not present the sport in a positive way.

Fix & Continue Will Be Allowed At This Event

The USDAA Policy Statement on Training in the Ring or "Fix & Continue" has been adopted for this event and is hereby incorporated in its entirety by reference. Competitors are expected to familiarize themselves with this policy, which can be found on the USDAA web site at [Official USDAA Policy Statements](#)

Fix & Continue during a competition run generally provides for repeat of an obstacle at handler's discretion under conditions set forth in the Policy Statement. When discretion is exercised to utilize the Fix & Continue, their score will be recorded as an elimination and the maximum course time set to 60 seconds. This practice may be utilized only once in any Standard, Jumpers, or Relay class (including similarly-styled tournament classes at qualifying events). The competitor must continue working the course in flow, while "fixing" and "continuing" on the course. See the Policy Statement referenced above for complete details.

Class Descriptions

Combined Relay Titling Class Offered at this Event

Relay classes by level on the entry form will be held on a Combined basis in each program for this event. Pursuant to USDAA's amendments taking effect April 2, 2020, a Group may offer a Combined Relay class to be run on an Advanced level course and scored under Advanced level rules in lieu of separating the Relay class by levels, as previously required. This is in keeping with the purpose of the Relay class in promoting camaraderie in working a course together.

To enter the Relay class, simply complete the form marking the appropriate Program and Level of your dog as before, listing a partner of your mutually agreed choice, or by indicating on the entry form that you will be a "Draw" partner. All pairs within a Program will compete for overall awards, but titling qualifications will be credited individually towards your title.

Titling Class Rules & Descriptions

One or more titling classes shall be held at this Event from those described in Chapters 3 - 8 of USDAA Official Rules & Regulations, which are downloadable from www.usdaa.com/regulations/usdaa-rules-and-regulations.cfm, and any amendments there to, which are hereby incorporated by reference.

Tournament Class Rules & Descriptions

One or more tournament classes are being held at this event, the rules and description of which may be downloaded on the Internet at [Tournament Regulations](#), and are hereby incorporated by reference. A written copy may be obtained from the Event secretary.

Mixed-Height Pairs Entry Allowed

Dogs entered as partners in pairs relay at this event may be combined without regard to jump height, i.e. a mini dog may be entered as a partner with an open dog. Any pair consisting of at least one open dog must qualify in accordance with the QCT set forth by the judge of record for Open Pairs AND will be considered an open pair for placement purposes.

Veterans Program Classes

Veterans level classes offered at this event are open to a competitor with any dog that is at least eight (8) years of age as of the first day of this event. Previous experience in the sport sufficient to establish proficiency and confidence in performance is strongly encouraged. A dog entered in a Veterans class on a day may not be entered in that class in the Championship or Performance Programs. Complete program rules can be found at [USDAA Rules & Regulations](#) including amendments.

Mulligan Runs

Based upon the number of runs per day at this trial Mulligan Runs may be available for one or more classes each day. The Show Committee shall determine in which class(es) a Mulligan Run will be allowed. Availability and cost for each run shall be announced in final confirmations. Only competitors entered in the class are eligible for a Mulligan Run per USDAA policy which is hereby incorporated by reference.

A competitor must sign up and pay for their Mulligan Run immediately following their titling run (if they didn't sign up/pay for a Mulligan Run prior) and prior to the completion of the class. A Mulligan Run sign-up sheet will be made available. When Mulligans are running concurrently with another ring at an event, only silent toys are allowed and may not be tossed. Food, treats, training aids are not allowed.
