

Bella Vista hosts Cynthia Horner

Saturday May 30 - 8:30AM to 12:30PM - Fast Dog / Slow Handler

Is your dog faster than you? Do you have a hard time getting ahead and cueing on course? Learn handling techniques to help when dogs are faster than the handler -- distance work, verbals, etc!! Teams should be proficient on all equipment and comfortable sequencing or already competing.

Saturday May 30 - 1:30PM to 5:30PM - What did you say? VERBALS!

Using key verbals at the right time can mean the difference between properly cueing your partner and an off course trap! Learn how to teach your dog key verbals and where they can be used most effectively. Team should be proficient on all equipment and comfortable sequencing or already competing.

Sunday May 31 - 8:30AM to 12:30PM OR 1:30PM to 5:30PM Mind Games

The always popular MIND GAMES is being offered twice! For those who want to improve their handling skills and mental preparation. These drills will help you think on your feet, recover from errors, adapt to the unexpected and much more! They are challenging and will challenge you to cue your dog better, faster and stay connected. Dogs should be in the open/advanced level or above. Be prepared to run and be mentally challenged.

Limit of 8 Working Teams/Session. Cost: \$95 for a working spot / session. \$35 to Audit/session.
