My name is Manca and I come from Ljubljana, Slovenia. I first started with agility in 1999. When I got my first border collie Bode in 2006, my life completely changed. I started to train more seriously, attending seminars and developing knowledge of this lovely sport. In 2010 I ran on my first EO with Bode, and also got new border collie, this time a girl named Lin. With all my knowledge I managed to teach Lin great basic and now its really easy to run with her. My both dogs are crazy fast and have great ability to work, so I just love to work with them as much as possible. In 2014 I got new puppy, papillon Aksi, who now also competes in highest level A3. At the moment I have 4 dogs: Bode, Lin, Aksi and puppy Breezy.

My biggest international success came in year 2018, when I became with team small of Slovenia EO champions and AWC vice-champions. Aksi qualified for EO 2016,2017&2018, and also AWC 2017&2018. At AWC 2017 we got 5th place in agility individual run.

From fall 2013 I'm also agility judge (from 2014 international). I was also team leader for EO 2013, team assistant for EO 2014,2015& 2016 and assistant at AWC 2014,2015&2016.

So far I have judged in many countries, many important competitions, but year 2019 looks like it will have biggest challenges for me as a judge so far. I'm judging Czech border collie championship, Norwegian Open and American EO Tryouts for 2020, and also some tryouts in Europe.
