All prizes must be claimed the day of the trial. None will be mailed.

HEIGHT DIVISIONS

Effective January 1, 2010, exhibitors are no longer required to provide proof to Trial Secretaries that their dog has a valid jump height card as part of the check-in process. Furthermore, this change eliminates the need for a copy of the jump height card to be submitted with an entry form. Dogs without a valid Jump Height Card/Form may still compete; but they must be measured/wicketed by the **Judge of Record** PRIOR to running in their class and this measurement will be valid for that weekend of trials only. The exception to this requirement is a dog entered in the 24” or 24C” height division. However, if a **Volunteer Measuring Official (VMO)** or an **Agility Field Rep** is present; **ALL** dogs without a valid Jump Height Card/Form must be measured at some time during the trial or cluster of trials. This does not preclude having the dog wicketed by the Judge of Record if the VMO or Rep is not available to measure the dog **before** its first run of the trial or cluster of trials. It is the exhibitor’s responsibility to have their dog measured prior to running and failure to do so will result in the cancellation of any qualifying scores.

REGULAR	PREFERRED	HEIGHT AT WITHERS
Handlers may opt to run their dog in a higher height division.	Handlers must run their dog in their proper eligible height.	Owners are responsible for entering their dog in the proper height division.
8”	4”	For dogs 11 inches and under at the withers
12”	8”	For dogs 14 inches and under at the withers
16”	12”	For dogs 18 inches and under at the withers
20”	16”	For dogs 22 inches and under at the withers
24”	20”	For dogs over 22 inches at the withers
24C”	n/a	Dogs who measure into the 8” through 20” regular jump height divisions may opt to enter the 24-choice height division at their owner’s discretion. Dogs who measure into the 24” regular jump height division may not enter 24-choice.

• All Measurements Are Effective Immediately

Exception: Challenge Measurements to Permanent Jump Height Become Effective when Challenge Measurement Process is Complete (see Regulations)

- Dogs Entered in Preferred Classes Must Run in measured Height Division Must be moved up or down to proper height
- **Are You Entered in The Right Height? The Responsibility Is Yours.**

COURSE FAMILIARIZATION

Handlers in all classes are permitted to walk the course, without a dog, during a walk-through period held prior to the start of the class. The walk-through is restricted to handlers entered in that class only.

A warm-up area, consisting of a regulation agility jump, will be provided for exhibitors. The warm-up area is to be used exclusively for warming up the dog and not for training the dog.

OBSTACLES & TIMING

Obstacles will meet the specifications for obstacles in the current edition of the Regulations for Agility Trials. This trial will be held indoors, ring Dimension 78’ x 105’ with self-closing gates.

Electronic timing devices will be used.

Changes effective: January 1, 2020

Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend – Multiple Jump Heights Within the Same Trial Day

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. Any mixture of Regular and Preferred classes is allowed. Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

Entering for Exhibition Only (FEO)

FEO allows exhibitors to work with their dogs in a trial environment. FEO is only offered in the Time 2 Beat and FAST classes. Participation in FEO is non-qualifying.

- FEO runs are treated as trial entries. The exhibitor must enter the class(es) (T2B and/or FAST) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.
- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (ex. when checking in at the gate board).
- Toys are allowed in the ring. Toys must be non-audible and may not leave the handler's hand. Toys that roll freely may not be used.
- Food/treats are not allowed in the ring.
- FEO should be utilized for the benefit of the dog and not as a punitive correction. Harsh verbal and /or physical corrections shall not be tolerated. Any

determination of harshness by the judge shall be immediately whistled and the handler will be dismissed from the ring.

- A judge must monitor the entire run. Judges can stop a run at any time

Fix and Go On

FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score. Fix and Go On is not pre-entered; rather, it occurs during the run.

INSTRUCTIONS

Handlers whose dogs measure into the 8" through 20" regular jump height divisions may opt to enter in a higher or 24-choice height division for all Regular titling classes, but not in a division lower than their proper height division. Dogs who measure into the 24" regular jump height division may not enter 24-choice. Dogs entered in the Preferred classes must compete at the required jump height and may not compete in a jump height division higher or lower than their proper height division.

All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or back-to-back trials only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the AKC Canine PartnersSM program may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.
